FOREWORD

We, the annual staff, present to you The Bearcat of 1948, to be enjoyed and cherished as one of your treasures gained in Henrietta High School.

The staff of 1948 has made a humble effort throughout this book to preserve in pictures and in print the life of this school year. May it serve to keep alive the memory of friends and the loyal spirit of our school.

It is our sincere wish that as you leaf through these pages, you will be pleased to have been a student at Henrietta High School.

Dedication

To Mr. F. W. Richardson, superintendent of the Henrietta Public Schools for the past fourteen years, the members of the Bearcat staff wish to dedicate this 1948 yearbook in sincere appreciation for his untiring efforts in behalf of the students and the school. He has made it possible for us to have a well-rounded curriculum and a school plant which compares favorably with those of other good schools in the state.

Superintendent's Message

Dear Students:

Through your loyalty and teamwork, both on the field and in the classroom, you as students are helping to build a great school.

Our faith in you tells us that, through this same loyalty and teamwork, you as adult citizens will help to maintain and to promote our ideals of American Democracy, thereby helping to build an even greater America for us all.

Sincerely yours,

F. W. Richardson

Principal's Message

May I express a cordial good will to the students of Henrietta High School.

Students may count high school years by the calendar, class schedule, or credits earned; but such reckoning is never the total sum of school years. Helpful associations, strong friendship, school spirit, team work, and manifold student activities are large factors in correct estimation of school value.

A creditable expression of the life, the problems, the aspirations, and the hopes of the student is embodied in our student annual. May the annual find a welcome in the homes of the students of Henrietta High School.

Sincerely,

T. R. Roper

The Library Club was organized on October 8, 1947, with Mrs. Boyles as the sponsor. The purpose of this club is to create a greater interest among the students in use of books and library service; to stimulate reading interest, and to improve the library service of the school. The club colors are yellow and blue. Their motto is "A Better World Is Built Through Reading." This club meets twice a month at which time, the members give book reviews, and discuss information about library organization and mechanical preparation. The members have done worthwhile things this year.

SOCIETY

HOLLOWE'EN PARTY

The Senior Class was entertained October 27 by the Homeroom Mothers with a Ranch Party at the Whitaker Ranch. After consuming a vast quantity of weinies, buns, coffee, cokes, and doughnuts, the class adjourned to the festively decorated barn for dancing and the traditional Hallowe'en games.

FFA DANCE

The Future Farmers and the Future Homemakers were the sponsors of a dance given December 3 in the high school gym. In the way of something new and different Mr. Hurley called for some square dances which were really enjoyed by those who participated. Sandwiches, cookies, and punch were served to the approximately one hundred guests who attended.

BEARCAT-BEARKITTEN PARTY

On Saturday night, December 6, the football boys, their dates, and the Pep Squad were guests at a party given by Bobby and Johnny Maddox in the high school gym. Refreshments of novelty ice cream footballs and cake decorated with H's were served to the guests as they passed through diminutive goal posts at the refreshment table. Square dancing, directed by Mr. Croxton Maddox, came at the end of a pleasant evening of fun and frolic.

FOOTBALL BANQUET

One of the greatest highlights of an H. H. S. school year, the annual Football Banquet, was attended December 12, 1947, by the members of the Football Squads and their dates. The Junior Letter Awards were made by Mr. Roper. Mr. Young made the Senior Letter Awards and presented the Lettermen with their football jackets. After the announcement of the 1948 Captains, an address was given by Dean D. L. Ligon of Hardin College entitled, "God and Everything." A salute to the Mothers who prepared the banquet was given by Mr. Richardson. Frank Bunting acted as Master of Ceremonies for the program. As a climax to a delightful evening, the representatives of the respective teams presented the coaches with gifts of appreciation for their work done with the teams this year.

ALL SCHOOL PARTY

As a result of the football ticket-selling contest, the Junior and Sophomore classes were sponsors of an all school party December 17. Names were drawn and gifts were exchanged. Dancing, eats, and carol singing furnished entertainment for those attending.

SENIOR XMAS PARTY

The Senior Class held their Christmas Party and gift exchange in the high school gym December 19. Upon arrival everyone was given a numbered Christmas bell and allowed to make a guess at the number of nuts in a stocking. Games, caroling, and dancing furnished the fun for the Seniors attending.

ALL SCHOOL DANCE

On January 19, the members ot the high school classes were invited to a dance given by Peggy Boyles at Mayo's showroom. The dance continued until about 11:00. This gave everyone an opportunity to "drift" in to dance.

SENIOR VALENTINE PARTY

On February 17, the Senior Class had a Valentine Party at the Hut. The class really turned out for this and had a lot of fun. The boys of the class entertained the girls with an all-male wedding. Although some danced, most of those who attended enjoyed the rummy and dominoes. Cocoa, sandwiches, cookies, and potato chips were served by the Homeroom Mothers.

JUNIOR-SENIOR BANQUET

The Junior and Senior Banquet was unreeled April 13, in the high school gym with approximately 115 attending. An interesting program was presented by the Junior class. The invocation was given by Billy Wilson. Jeanette Moser acted as Toastmistress for the program. Special features of the program consisted of musical numbers by a Junior group and a talk entitled "At the Crossroads of the Pacific" given by Mr. Tyra Roper. The benediction was given by Jimmie Logan. Everyone felt that they had a time well worth waiting all year for.

SENIOR PLAY

On April 30, the Senior Class presented a play entitled, "Ignorance is Bliss." The play was under the direction of Mrs. Nutter, our English teacher and Senior sponsor. It was a three act comedy about the troubles of an average high school boy in an average high school.

Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are publishing 1948 Annuals for more than 900 Colleges and High Schools. This patronage indicates a wealth of ideas and service which has no doubt made possible the long record of our school annual achievement.
